

# Kids Against Hunger®

Corporate Sponsored Packing Events

**Feeding families around the world.... and around the corner.**

**Team Building:** When your company underwrites a Kids Against Hunger packing event your employees benefit by bonding as a team with a mission. There isn't a better way to show that your company is committed to social change and creating a positive, meaningful work environment for its employees.

Kids Against Hunger packing events can be as small as 25 people or as large as your imagination. For a minimum donation of \$2500, we can bring the packing event to your workplace, as well.

**Our mission is to feed starving children and help end world hunger. Your corporate team can help us.**

We organize packing events where participants assemble fortified soy/rice casserole-style meals specifically formulated to meet the nutritional needs of starving children.

Boxes of meals are distributed to humanitarian organizations worldwide including Haiti and the Philippines. Meals are also stored at the Alameda County fairgrounds Regional Disaster Recovery Center to be used in case of a local emergency or disaster.

Volunteers as young as 8 years old are encouraged to participate so employees and their families can be included.

A packing event is typically two hours and can be scheduled weekdays, evenings & weekends. For each \$25 your employee donates, 100 children are fed. If your company has a matching donation program, that number is doubled!

Kids Against Hunger-Pleasanton operates as a satellite of Kids Against Hunger, headquartered in New Hope, Minnesota. Kids Against Hunger is a national organization with packaging satellites in 98 locations in 27 US States and Canada. Together we have the capacity to produce over 50 million meals per year.
