

Kids Against Hunger®

Feeding families around the world and around the corner.

Our mission is to feed starving children and help end world hunger.
Your students can help.

Is your goal to encourage social responsibility and community service for your students? We organize packing events where students assemble fortified soy/rice casserole-style meals specifically formulated to meet the nutritional needs of starving children. Boxes of meals are currently being distributed to humanitarian organizations worldwide including , Haiti and the Philippines,. Meals are also stored at the Alameda County Fairgrounds Regional Disaster Recovery Center to be used in the event of a local emergency or disaster.

- 
- ◆ Volunteers as young as 2nd grade are encouraged to participate and families are welcomed too.
 - ◆ For every \$20 your student donates, 100 children are fed.
 - ◆ A packing event is typically two hours and can be scheduled weekdays, evenings or weekends.
 - ◆ Kids Against Hunger packing events can be as small as ten people or as large as your imagination. For a minimum donation of \$4000, we can bring the packing event to your school.
